► The Many Faces of HMEA

The 'faces' of HMEA for this newsletter are all the people who were involved with the 5K Walk/Run. Even though the weather wasn't very cooperative, the day was still a huge success. Employees, people supported by HMEA, friends and family members all came together to walk, run, volunteer, play games, and just enjoy the day. More than \$60,000 was raised; all of that money will go directly back to the programs! *Congratulations* and thanks to everyone who participated and made it such a successful day. ◀
