The Faces of HMEA

Another fantastic Independence 5K Walk/Run! Each year, more and more people attend, and this was no exception. Gene Lavanchy was a great host for the day, and Governor Patrick made an appearance as

well! This year, the HMEA event made \$160,000, (combined with the Autism Resource Center Walk, a total of \$320,000 was raised) to be returned to programs for the individuals we support. **Plainville** was the #1 team in fundraising; *congratulations* for a job well done. Thanks to everyone who worked so hard to help make the day such a huge success. ◀
