

28th Annual Family Leadership Series

Leadership • Vision • Impact

This three-part, two-day overnight series provides education to persons with a family member with special needs. Participants learn about taking initiative and enacting leadership to effect policy change that impacts families.

The Series has a three-fold purpose:

- to offer information about "best practices" and the history of family involvement in the disability field;
- to assist families in creating a vision for their family member, and;
- to develop family leaders who will advocate at the local and state level to improve the lives of individuals with disabilities.

2020 Central Dates:

January 24 & 25

March 6 & 7

May 7 & 8

This opportunity is fully funded for accepted applicants, including food and overnight lodging, with the possibility of assistance for respite costs for eligible participants.

* Applications from participants with family members of any age, who are Department of Developmental Services (DDS) eligible, are encouraged to apply.

Applications Available: September 2019
